

Phosphorus Additives in the Food Supply

Illinois Council on Renal Nutrition

May 11, 2011

Janeen Leon, MS, RD, LD
Center for Reducing Health Disparities
Program Evaluator/Researcher, MetroHealth Medical Center
Adjunct Instructor of Medicine, Case Western Reserve University
R206A, 2500 MetroHealth Drive
Cleveland, OH 44136
216-778-8491 (w)
216-778-8401 (f)
Janeen.Leon@case.edu

www.phosfoods.org

Presentation Outline:

- Role of phosphorus
- Phosphates in food
- Risk associated with high phosphorus intake
- Our studies
- How to reduce risk
- Where we are headed?
