#### **Financial Statements**

Years Ended March 31, 2022 and 2021

#### **Independent Auditor's Report**

Board of Directors National Kidney Foundation of Illinois, Inc. Chicago, Illinois

#### **Opinion**

We have audited the accompanying financial statements of National Kidney Foundation of Illinois, Inc. (the "Foundation"), a nonprofit organization, which comprise the statements of financial position as of March 31, 2022 and 2021, and the related statements of activities and change in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of National Kidney Foundation of Illinois, Inc. as of March 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of National Kidney Foundation of Illinois, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about National Kidney Foundation of Illinois, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, and design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Kidney Foundation of Illinois, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about National Kidney Foundation of Illinois, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 24, 2022 on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of National Kidney Foundation of Illinois, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

#### **Note 1: Summary of Significant Accounting Policies**

#### **Nature of Operations**

National Kidney Foundation of Illinois, Inc. (the "Foundation") is a not-for-profit voluntary health organization. The Foundation provides public education, professional education, patient services, community services and research grants relating to kidney disease and transplantation in Illinois. The Foundation is an affiliate of the National Kidney Foundation, Inc. (the "National Office").

Research. The National Kidney Foundation of Illinois (NKFI) Research Grant program funds young investigators who have research projects that will increase the understanding of kidney, urologic and related diseases and transplantation as well as improve the clinical management and treatment or cure of these diseases. Grant submissions are reviewed and selected by the NKFI Research Review Committee on a biennial basis. Award winners received up to \$60,000 per year for a total of \$120,000 per award period. NKFI also has an innovations grant that supports and funds new, innovative applications, research, technologies, and other novel processes that lead to more effective, equitable and sustainable solutions to improve the lives of those at risk for kidney disease and transplantation-related diseases, and/or improve the prevention, management and treatment or cure of these diseases. The award winner receives \$30,000 per award period.

**Public Education**. World Kidney Day is a global awareness campaign aimed at raising awareness of the importance of our kidneys.

The Advocacy program drives legislative change to guarantee thoughtful policies are in place for individuals living with kidney disease as well as dialysis patients and transplant recipients.

Kidneys in the Kitchen is a program that allows renal dietitians to give general kidney-diet information as well as demonstrations and tips on healthy food prep, while showing samples of kidney-friendly meals and serving sizes. Provides the opportunity to learn about reading a food label, understanding ingredient lists, nutrition, tips for keeping your kidneys healthy, goal setting for good health, and so much more. This program is presented through a partnership with CAN TV.

**Patient Services**. Living with Kidney Disease and Transplantation is a series of one-day conferences offered for people affected by or at risk for kidney disease, individuals on dialysis, people waiting for a kidney transplant and those who have already been transplanted, as well as their family members. Experts present on current topics such as treatment options for kidney failure, medications and their side effects, insurance options and financial assistance, as well as psychological effects of living with kidney disease.

Kidney Camp is a free week-long overnight camp in northern Illinois is for kids ages 7-15 who have had organ transplants, are on dialysis or are living with kidney disease.

Big Ask Big Give - In collaboration with the University of Chicago, the National Kidney Foundation of Illinois presents the The Big Ask, The Big Give seminars. This four-hour training program is designed to help kidney patients find a living donor. Created for kidney patients on the waitlist, family members, friends, and potential living donors, this workshop provides education about living donation and transplant and teaches 7 Key Strategies for finding a living donor, taught in a highly interactive and engaging format.

#### Note 1: Summary of Significant Accounting Policies (Continued)

#### Nature of Operations (Continued)

Chronic Disease Self-Management Program (CDSMP) (also known as Take Charge) - In CDSMP, participants learn self-management tools related to healthy eating, the transplant process, potential complications, physical activity, common kidney disease medications and medication management, working with their healthcare team, and communication. 2.5-hour sessions take place over the course of six-eight weeks. Peer modeling is a core component, with at least one of the two certified leaders of the initiative having a chronic disease. These leaders work with a small group of 10-12 people for the duration of the program.

**Professional Education.** Citywide Grand Rounds follows a Clinical Pathologic Case Presentation model, with the evening including interesting case presentations. The audience participates by asking questions and voting during each case.

Controversies in Nephrology is a program presented through an interactive, participatory debate among nephrology fellows representing Chicago's medical academic centers. Debate topics are chosen based on their relevance and association with the nephrology and transplant fields. This program provides an evening of networking and education for nephrologists, transplant surgeons and allied health professionals.

The Illinois Council on Renal Nutrition's Spring Clinical Meeting is an intensive one-day professional development course specifically geared toward renal dietitians, to provide information and education on the most cutting-edge practices and treatment currently available to renal patients.

The Interdisciplinary Nephrology Conference is an intensive one-day course geared specifically to the needs of nephrology nurses, dietitians, social workers and technicians. The Interdisciplinary Nephrology Conference provides information to renal professionals on the most cutting-edge practices and treatment currently available to renal patients and creates an opportunity to network and share information with colleagues.

Stretch your mind at **Research Highlights & Academic Competition**, an evening of thoughtful and lively discussion focused on examining the questions central to kidney disease. This interactive and engaging new program showcases funded NKFI research grants. Grantees present the results of their research, followed by a series of questions related to their research topic. Individuals will compete to answer the most questions correctly.

**Community Services.** The KidneyMobile is the nation's first mobile screening and education vehicle for kidney disease, diabetes and high blood pressure. It travels throughout Illinois, focusing on medically underserved communities to provide comprehensive early detection screenings and education to individuals considered most at risk. On average, there are 60 KidneyMobile screenings a year. In the lifetime of the program, KidneyMobile has screened just under 58,000 participants.

#### **Basis of Accounting**

The financial statements of the Foundation have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States (GAAP).

#### Note 1: Summary of Significant Accounting Policies (Continued)

#### **Basis of Presentation**

Financial statement presentation follows GAAP for financial presentation of not-for-profit organizations. Such principles provide that the Foundation is required to report information regarding its financial position and activities according to two classes of net assets. A definition and description of each class follows:

**Net Assets Without Donor Restriction** - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

**Net Assets With Donor Restriction** - Net assets subject to donor- or certain grantor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other explicit donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

#### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Investments

Investments are carried at fair value (Note 6). All interest, dividends, and realized and unrealized gains and losses are reported in the statement of activities as increases or decreases in net assets without donor restrictions. Total investment fees are included in net investment gain (loss) in the statement of activities and change in net assets.

#### **Property and Equipment**

Property and equipment are recorded at cost (if purchased) or at estimated fair value at time of donation (if donated). Property and equipment purchased at a cost exceeding \$1,000 is capitalized. Maintenance and repairs, which neither materially add to the value of the property nor appreciably prolong its life, are charged to expense as incurred. Depreciation is computed using the straight-line method over the estimated useful lives ranging from three to 27.5 years.

#### Note 1: Summary of Significant Accounting Policies (Continued)

#### **Impairment of Long-Lived Assets**

The Foundation reviews long-lived assets, including property and equipment and intangible assets, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset and its fair value are less than the carrying amount of that asset. The Foundation has not recognized any impairment of long lived assets during 2022 and 2021.

#### **Affiliations**

Twenty-five percent of gross unrestricted contribution income, as defined, less certain allowable expenses, are remitted to the National Office. The Foundation had an outstanding balance due to the National Office of \$121,183 and \$229,805 as of March 31, 2022 and 2021, respectively, which is included in accounts payable and accrued expenses on the accompanying statement of financial position.

#### **Grants and Contributions Receivable**

Unconditional promises to give are recorded as receivables in the year pledged. Conditional promises to give are recognized only when the conditions on which they depend are substantially met. Promises to give whose eventual uses are restricted by the donors are recorded as increases in net assets with donor restriction. Unrestricted promises to give to be collected in future periods are also recorded as an increase to net assets with donor restriction and reclassified to net assets without donor restriction when received, unless the donor's intention is to support current-period activities.

Promises to give expected to be collected in less than one year are reported at net realizable value. Promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows on a discounted basis applicable to the years in which the promises were received. The amortization of the discount is recognized as contribution income over the duration of the pledge.

Grants and contributions receivable on the statement of financial position consist primarily of pledges and grants receivable. Amounts are reviewed for collectability by management and an allowance for doubtful accounts is recorded as needed based on collection history. The Foundation considers these receivables to be collectible and, therefore, no allowance for uncollectible amounts has been recorded.

#### Note 1: Summary of Significant Accounting Policies (Continued)

#### **Revenue Recognition**

#### **Grants and Contributions**

Grants and contributions are recognized as revenue when they are received or unconditionally promised. Grants and contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction expires or the purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions and grants are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award.

- Grant Awards that are Contributions Grants that qualify as contributions are recorded as invoiced to the funding sources. Revenue is recognized in the accounting period when the related allowable expenses are incurred. Amounts received in excess of expenses are reflected as grant funds received in advance.
- Grant Awards that are Exchange Transactions Exchange transactions typically reimburse based on a
  predetermined rate for services performed. The revenue is recognized in the period the service is
  performed.

#### **Special Events**

The Foundation records fundraising benefits revenue equal to the fair value of direct benefits provided to donors for the exchange portion, and contribution income for the excess received. The Foundation typically receives payment for the event in advance based on a sponsorship level. The exchange portion of special event revenue received in advance is recorded as deferred revenue and recognized at the point in time when the event occurs.

#### **Functional Allocation of Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses, which cannot be directly identified with specific functions, are allocated based on estimates of staff hours devoted to the respective functions. The revenue share payment to the National Office is allocated to specific functions based on percentages provided by the National Office.

#### Note 1: Summary of Significant Accounting Policies (Continued)

#### **Income Taxes**

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code under the exemption granted to the National Office. Consequently, no provision for income taxes appears in these financial statements. The National Office has been designated by the Internal Revenue Service as a "publicly supported organization."

#### **Recently Issued Accounting Pronouncement**

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, *Leases* (Topic 842). The amendments in this ASU revise the accounting related to lessee accounting. Under the new guidance, lessees will be required to recognize a lease liability and a right-of-use asset for substantially all leases with lease terms in excess of twelve months. The new lease guidance also simplifies the accounting for sale and leaseback transactions primarily because lessees must recognize lease assets and lease liabilities. The amendments in this ASU are effective for fiscal years beginning after December 15, 2021, and are to be applied through a modified retrospective transition approach for leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. Early adoption is permitted. The Foundation continues to evaluate the effect that the implementation of this ASU will have on its financial statements and related disclosures.

In September 2020, the FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Non-Financial Assets* (Topic 958). The amendments in this update will require entities to present contributed nonfinancial assets as a separate line item in the statement of activities and expand disclosures on the various contributed nonfinancial assets recognized, including disaggregated category types, the valuation techniques and inputs used to arrive at fair value, and the policy for either monetizing or utilizing contributed nonfinancial assets. The amendments in this update are effective for annual financial statements issued for fiscal years beginning after June 15, 2021, applied on a retrospective basis. Early adoption is permitted. The Foundation is currently evaluating the impact this standard will have on its financial statements

#### **Subsequent Events**

The Foundations have evaluated events and transactions for potential recognition or disclosure in the financial statements through August 24, 2022, which is the date the financial statements were available to be issued.

#### Note 2: Liquidity and Availability of Financial Resources

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

Years Ended March 31,	2022	2021
Cash	\$ 104,976 \$	640,164
Grants and contributions receivable	427,145	435,727
Investments	6,553,593	6,597,190
		_
Total financial assets	7,085,714	7,673,081
Less: Net assets with donor restrictions	(4,960,812)	(4,399,228)
Financial assets available to meet cash needs for general expenditures within		
one year	\$ 2,124,902 \$	3,273,853

The Foundation has a goal to maintain financial assets, which consist of cash and short-term investments, on hand to meet 90 days of normal operating expenses, which were approximately \$720,000 and \$570,000 for 2022 and 2021, respectively. The Foundation has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, as part of its liquidity management, the Foundation invests cash in excess of daily requirements in various short-term investments, including certificates of deposit and short-term treasury instruments.

#### Note 3: Concentration of Credit Risk

The Foundation maintains cash balances at a financial institutions where the accounts are insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000. At certain times during the year, cash balances may be in excess of FDIC coverage. The Foundation has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk on cash.

#### **Note 4: Concentration of Contributions or Grants**

The Gift of Life Gala is an annual general fundraising event which generated gross revenues of \$145,616 and \$106,261 and accounted for approximately 6% of total grants and contributions for the years ended March 31, 2022 and 2021. The increase in net assets from this event totaled \$10,941 and \$49,851 for the years ended March 31, 2022 and 2021, respectively.

The Middle Market Open is an annual golf tournament and fundraiser targeting middle market companies. This event generated gross revenues of \$824,868 and \$638,610 and accounted for approximately 37% and 36% of total grants and contributions for the years ended March 31, 2022 and 2021, respectively. The increase in net assets from this event totaled \$463,599 and \$346,560 for the years ended March 31, 2022 and 2021, respectively.

#### Note 4: Concentration of Contributions or Grants (Continued)

The Walk for Kidneys is an annual general fundraising event which generated gross revenues of \$243,881 and \$180,230, respectively and accounted for approximately 11% and 10% of total grants and contributions for the years ended March 31, 2022 and 2021, respectively. The increase in net assets from this event totaled \$194,646 and \$151,115 for the years ended March 31, 2022 and 2021, respectively.

The KidneyMobile is a mobile, interactive exhibit that travels throughout Illinois providing free prevention education and health screening for high blood pressure, diabetes and chronic kidney disease. Grants and contributions for the operation of the KidneyMobile and general contributions to the Foundation generated from the KidneyMobile's operations totaled \$386,161 and \$349,305 and accounted for approximately 17% and 20% of total grants and contributions for the years ended March 31, 2022 and 2021, respectively. Included in the program services revenue for the year ended March 31, 2021, is a contribution from a single donor totaling \$67,866. After considering operations, maintenance, and other costs, the increase in net assets for the operation of the KidneyMobile was \$252,757 and \$290,098 for the years ended March 31, 2022 and 2021, respectively.

#### Note 5: Grants and Contributions Receivable

Grants and contributions receivable consisted of the following:

March 31, 2022	2022	2021
Grants and contributions receivable	\$ 487,145 \$	525,727
Less - Discount to net present value	5,158	6,877
	481,987	518,850
Less - Noncurrent portion	54,842	83,123
Current portion	\$ 427,145 \$	435,727

Grants and contributions receivable due in more than one year are reflected at the present value of estimated future cash flows using discount rate of 2% as of March 31, 2022.

The Foundation's grants and contributions receivable are due as follows:

March 31,	
2023	\$ 427,145
2024	30,000
2025	30,000
	487,145
Less - Discount to net present value	5,158
Total	\$ 481,987

#### **Note 6: Fair Value Measurements**

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Foundation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2022 and 2021.

Cash, mutual funds, and exchange traded funds: Valued at the daily closing price as reported by the fund.

The following tables set forth by level, within the fair value hierarchy, the Foundation's investment assets at fair value as of March 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	 2022				
	Level 1	Level 2	Level 3	Total	
Cash	\$ 1,024,776 \$	- \$	- \$	1,024,776	
Mutual funds:					
Equity	1,793,851	-	-	1,793,851	
Exchange traded funds:					
Equity	2,001,048	-	-	2,001,048	
Fixed income	1,635,306	-	-	1,635,306	
Other	98,612	-	-	98,612	
		_			
Total	\$ 6,553,593 \$	- \$	- \$	6,553,593	

		2021		
	 Level 1	Level 2	Level 3	Total
Cash	\$ 532,395 \$	- \$	- \$	532,395
Mutual funds:				
Equity	1,758,031	-	-	1,758,031
Exchange traded funds:				
Equity	1,944,658	_	-	1,944,658
Fixed income	2,283,868	-	-	2,283,868
Other	78,238	-	-	78,238
			_	
Total	\$ 6,597,190 \$	- \$	- \$	6,597,190

#### **Notes to Financial Statements**

#### **Note 7: Investment Income**

Investment gain (loss) was as follows:

Years ended March 31,		2022	2021
Interest and dividends	ć	104 202 ¢	147.100
Interest and dividends	Ş	194,382 \$	147,186
Net realized gain		2,390	16,159
Net unrealized gain (loss)		(147,764)	1,164,817
Investment expenses		(20,105)	(15,840)
Total	\$	28,903 \$	1,312,322

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of certain investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

#### **Note 8: Property and Equipment**

A summary of property and equipment is as follows as of March 31, 2022 and 2021:

March 31,	2022	2021
Building	\$ 852,868 \$	852,868
Equipment	160,953	135,705
Furnishings and building improvements	100,326	100,326
KidneyMobile	44,401	44,401
Total property and equipment	1,158,548	1,133,300
Less: Accumulated depreciation	(902,646)	(843,066)
Net property and equipment	\$ 255,902 \$	290,234

Depreciation expense for the years ended March 31, 2022 and 2021, was \$59,579 and \$58,001, respecively.

#### **Notes to Financial Statements**

#### **Note 9: Database**

The Foundation's database is amortized using the straight-line method over five years. Amortization expense was \$19,566 and \$14,135, respectively, for the years ended March 31, 2022 and 2021. The Database consists of the following:

March 31,	2022	2021
Cost Less: accumulated amortization	\$ 107,542 \$ (42,942)	72,488 (23,376)
Database, net	\$ 64,600 \$	49,112

#### **Note 10: Net Assets with Donor Restriction**

Net assets with donor restrictions are restricted for the following purposes or periods.

March 31,	2022	2021
Research	\$ 1,117,090 \$	1,296,882
Program services	3,836,722	3,095,346
Permanent restriction - perpetual in nature	7,000	7,000
Total	\$ 4,960,812 \$	4,399,228

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows:

Years Ended March 31,		2022	2021
Description	<b>,</b>	140 F44 ¢	476.057
Research	\$	149,544 \$	176,057
Program services		439,415	282,685
Other - received and released in current year		227,605	256,520
Total	\$	816,564 \$	715,262

#### Note 11: Refundable Advance Liability - Paycheck Protection Program

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act created and funded the U.S. Small Business Administration (SBA) Paycheck Protection Program (PPP) to provide loans designated to help small businesses cover their near-term operating expenses and provide an incentive to retain their employees during the COVID-19 pandemic. The Foundation applied for and received a PPP loan for \$189,600 under this program. The Foundation applied for full loan forgiveness and received forgiveness notification from the SBA that the loan was fully forgiven on March 4, 2021, and thus the income is recognized as grant revenue on the statement of activities and change in net assets in accordance with IAS 20.

In addition, the Foundation applied for a second draw PPP loan and received a PPP2 loan on March 4, 2021, in the amount of \$227,448. The loan proceeds were used for permissible, near-term operating expenses. The Foundation applied for full forgiveness and received forgiveness notification from the SBA that the loan was fully forgiven on October 25, 2021, and thus the income is recognized as grant revenue on statement of activities and change in net assets in accordance with IAS 20.

#### **Note 12: Retirement Plan**

The Foundation has a 401(k) plan that covers substantially all the employees. Employees are immediately eligible and may enter the plan at semiannual entry dates. The Plan document allows for a discretionary employer match. The Foundation contributed \$36,329 and \$29,264 for the years ended March 31, 2022 and 2021, respectively.

#### **Note 13: Volunteer Services**

The Foundation utilizes experts in the medical profession related to Kidney disease to perform services at KidneyMobile screenings held throughout the year. The services donated by these volunteers are valued at rates published by Doximity.com. For the years ended March 31, 2022 and 2021, the Foundation recorded \$12,284 and \$140 of specialized volunteer services relating to the KidneyMobile, respectively. These amounts are included in program services revenue on the statement of activities and change in net assets.

The Foundation utilizes non-specialized volunteers to perform services at their special events. These services are not recorded in the accompanying financial statements. The number of hours estimated for these services in the years ended March 31, 2022 and 2021, is 188 and 54 hours, respectively.

#### **Note 14: Business Condition**

On March 11, 2020, the World Health Organization declared the outbreak of a respiratory disease caused by a new coronavirus as a "pandemic." First identified in late 2019 and known now as COVID-19, the outbreak has impacted thousands of individuals worldwide. In response, many countries have implemented measures to combat the outbreak which have impacted global business operations. No impairments were recorded as of the statement of financial position date as no triggering events or changes in circumstances had occurred as of yearend; however, due to significant uncertainty surrounding the situation, management's judgment regarding this could change in the future. In addition, while the Foundation's results of operations, cash flows and financial condition could be negatively impacted in the future, the extent of the impact cannot be reasonably estimated at this time.

# Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors National Kidney Foundation of Illinois, Inc. Chicago, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of National Kidney Foundation of Illinois, Inc., as of and for the year ended March 31, 2022, and the related notes to the financial statements, which collectively comprise the National Kidney Foundation of Illinois, Inc.'s basic financial statements, and have issued our report thereon dated August 24, 2022.

#### **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the National Kidney Foundation of Illinois, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the National Kidney Foundation of Illinois, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the National Kidney Foundation of Illinois, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies in internal control, such that there is reasonable possibility that a material misstatement of the National Kidney Foundation of Illinois, Inc.'s financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the National Kidney Foundation of Illinois, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the National Kidney Foundation of Illinois, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the National Kidney Foundation of Illinois, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### Independent Auditor's Report on Supplementary Information

Board of Directors National Kidney Foundation of Illinois, Inc. Chicago, Illinois

We have audited the financial statements of the National Kidney Foundation of Illinois, Inc. as of and for the year ended March 31, 2022, and have issued our report thereon dated August 24, 2022, which expressed an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole.

The following schedules are presented for purposes of additional analysis and are not a required part of the financial statements. The "Consolidated Year-End Financial Report" is required by the Grant Accountability and Transparency Act (GATA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements, themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.
